Thanks for the information Jon. The new NPDES permit limits will factor in the update of the local limits.

I corresponded with Jeff May and Haley Sir last week and they indicated that Haley is working on reissuing the NPDES permit. I asked for a ballpark timeframe for reissuing the NPDES permit and she indicated that it should be reissued within a year.

Please let me know if there is anything else we should coordinate on.

Thanks,

Hey Emilio,

Just a heads up, we're working on Helena's MPDES permit renewal right now.
